**STATEMENT OF SUBSTANCE OF INTERVIEW**

---

Dear Sir:

This interview summary is in response to a telephone interview between Examiner Kimberly D. Nguyen and applicants' representative, David Grillo. Applicants' representative thanks the Examiner for the courtesies extended during the telephonic interview beginning on August 1, 2006 and ending August 2, 2006. The Examiner was contacted to discuss the status of the above-identified patent application in light of the Reply to Final Office Action filed on March 21, 2006 and the 6-month statutory deadline for reply of July 24, 2006. The Examiner advised applicants' representative that a Non-Final Office Action, citing new art, was timely

issued avoiding abandonment. As a result, a new period for response to this action has started. It was also noted that due to procedural delays, the Non-Final Office Action is not yet available to applicants' representative, but should be mailed and made accessible via PAIR in the next few days.

No fee is believed to be due, but in the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [SYMBP160US].

Respectfully submitted,  
AMIN, TUROCY & CALVIN, LLP
